Oregon legislatures. Full stop. You can not add another 5billion tax increase on Oregonians.

There is another way. Actually reach across the aisle to the Republicans and listen. We can't afford to bail out another failed agency. People are moving from Oregon and businesses too!! Look outside your office!!

For 40 years democratic policy and voting has placed Oregon in the worst position in almost everything.

You can not blame Trump for this, it's what the Democratic Party has done to Oregon.
