Please do not increase our taxes! We already pay so much! We can't afford any more! ODOT needs to be accountable for its mismanagement of funds. We the tax payers should not have to be held accountable for them needing more funds. They already get enough money from us. They need to be audited so we know where the money is going. I also think the top level positions should not be making hundreds of thousands of dollars. ODOT needs to be audited and no more money going to them.
