Measure, Appointment or Topic: HB3992

Please do not pass HB 3992 or any bill that would increase transportation related taxes. You have been elected to set priorities, please do that in order to maintain roads and jobs. ODOT has gone into so much debt. I can not afford any more tax increases since my husband was laid off last November at 64. Our other taxes, insurance premiums and utility rates have all risen since then and will continue to do so. Please stop raising taxes and work with what you're already getting.
