I am a opposed to hb 3991. The citizens of Oregon are expected to live within a budget. The state thinks that when they overspend or dont have money left after all they have already been given by the taxpayers, they can just tax and fees for more. The citizens can not afford more. ODOT should spend their funds on roads and safety. They do not have to lay off anyone. Just get back to their core purpose. Absolutely no on hb 3991
