Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or
Topic: HB3992

No, drop your special programs and deliver on core responsibilities. That's your job. Bleeding the core deliverables of other depts/etc. to fund your special transportation programs is not the solution. DOGE all departments and increase the kicker for all Oregonians. There's already plenty of money to do this, and numerous other states setting a much better example.
