This is absolutely incredible - after letting these problems fester for much too long, you are now meeting to make decisions on the Sunday of a holiday weekend, with virtually no notice (Did the Legislature do a press release-?? Seems unlikely as I find zero media coverage of tomorrow's session).

So...it'll mostly just be whatever electeds show-up this time & the lobbyists, right-? I've already submitted my testimony about the issues, this is about the "process" itself.

I am Democrat.

None of us are going to forget this entire mess come election time.
