

Submitter:	Kelly Locati
On Behalf Of:	All Oregonians
Committee:	Joint Special Session Committee On Transportation Funding
Measure, Appointment or Topic:	HB3992

To whom it may concern, as if you actually care about our opinions or the impact you have on everyday Oregonians. We the people are telling you to oppose this bill. We have been taxed to the point of no return. If you continue down this road more taxpayers will be forced to move from this state. Then who will pay your taxation without representation? Fix ODOT and do not keep taxing us to poverty. I used to be a democrat. I'm no longer in line with your plans. More and more of us are leaving your super majority party because you do not stand for the little guy. You are about giving yourselves raises and no accountability. Do not pass this bill!!!! Thank you
