Measure, Appointment or Topic: HB3991

No New Taxes! Oregon families are not your piggy bank.

I am a 6th generation Oregonian, my grandkids are now the 8th generation. We have contributed to Oregon for over 150 years. We've had enough! It is so difficult to live here with the cost of basic needs to having to work 2 jobs to get by. Let us live our lives like we want to, and not by the dictates of the Legislature. Its hard to survive in Oregon. It is why many are leaving the state.

You have a spending problem not a revenue problem.

HB 3991 is a tax hike that hits hardest where it hurts most—at the gas pump, on paychecks, and in vehicle fees. Raising costs on working people and small businesses during an economic squeeze is irresponsible and unfair.

Rushing this bill through over a holiday weekend only adds insult to injury. Oregonians deserve transparency, not surprise taxes.

Vote NO on HB 3991. Stop punishing the people who keep Oregon moving.

Sincerely,
Mike Slagle
