Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

Please do not pass this tax. Oregon needs to be better at living within their budget. We all have to do. Please fix the system instead of putting on a bandage. This tax will affect everyone and will be passed on to consumers. This tax will be a hardship on everyone especially children and seniors. People are already on limited budgets and these taxes will take more money away from those who need it just to survive. Please vote NO!
