I am opposed to this bill. Oregon already has some of the highest gas prices in the nation. This bill allows gas tax increases without a vote of the people or the legislature. The increase in DMV fees are so astronomical that the average working Oregonian it will not be able to afford them. This will also make the cost of getting food to our supermarkets, more expensive, which will make our food more expensive. This is a bad bill please vote. No I'm a 70 year old lifetime Oregonian and I'm considering leaving the state because of the increase in the cost of living in OREGON.
