I oppose new taxes and fees on the backs of hard working Oregonians. Existing revenue if redirected can fill the voids. Taxpayers are leaving Oregon because of the rising costs.

I've gone to moving sales and the rising taxes and fees is most commonly the reason.

Our local dog groomer out of nowhere started talking about the taxes taking everything. Said she hasn't been able to pay herself working 7 days a week. May have to close shop.

This bill will only make the problem worse.
