Middle class families can't afford to pay any more taxes. I've lived here my entire life. I love this beautiful state, but at the rate we are being taxed, I can barely afford to live here. I represent a dual worker, multi job family. I own a small business & know if Oregon taxation keeps trending the way it is, we will be forced to move to a more business/blue collar friendly state.

As a business owner, sometimes I have to cut out unnecessary spending. Oregon needs to do the same. No more wasting tax payers money. Do what is right for Oregon. That's why you were elected.
