Measure, Appointment or Topic: HB3991

This is the third time I have submitted testimony. It does not matter that it is a holiday weekend, the people do not approve of these bills aimed at saddling us with debt because of mismanagement of funds. We have paid and continue to pay plenty and our pocketbooks are dry. There are funds elsewhere within what you have already received and that is where you need to be looking. These bills will further run businesses and individuals out of this state. Please say no! Your constituents implore you to vote against this pair of bills.
