Committee: Joint Special Session Committee On Transportation  
Funding

Measure, Appointment or Topic: HB3992

Members of the Committee:

I strongly oppose HB 3992. This bill is simply a companion to HB 3991, providing funds to implement an unpopular and harmful tax scheme. If HB 3991 is rejected, there is no justification for spending additional taxpayer dollars to advance it.

Approving HB 3992 means forcing Oregonians to pay twice — first to fund the implementation, and then again through the new and increased taxes in HB 3991. That is fiscally irresponsible and adds insult to injury.

We cannot continue to solve every budget challenge by raising taxes. Oregonians have said no to these hikes before, and they are saying no again now. Please stop this tax grab before it takes even more from the people who can least afford it.

I respectfully urge you to vote NO on HB 3992.

Thank you.
