Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

I strongly oppose this bill and any raising of taxes or fees. The public is spoken loudly that we do not want you to raise taxes and fees, and start being fiscally responsible with the money you already received from us. Tighten your belt and spend within the budget. Oregonians cannot afford to live in the state any longer with these ridiculously high taxes and fees.
