I strongly urge lawmakers to oppose this plan to tax Oregonians out of the state! We cannot continue to be taxed and made to pay continually morphing layers of fees.

As a rural Oregon with a small family business, I can tell you the Oregon is very unfriendly to business. We work very hard and we and our community are struggling!

Adding added gas tax, payroll tax and fees hurts WORKING Oregonians. These policies are killing the economy and killing small businesses. Enough is enough!

PLEASE hear us and find another alternative. Getting back to basic road maintenance instead of special programs and projects is a must! We can't afford this plan.

Also, REJECT the policy to let unelected officials raise the gas tax. We are not a credit card where you just increase your limit.

STOP the INSANITY! Vote no!

Thank you
