Measure, Appointment or Topic: HB3991

Please oppose the ODOT tax increase. ODOT and the state of Oregon have ample revenue and must take a private sector approach of cutting costs while improving their service to Oregonians. Taxing again an overtaxed citizenry is not the answer. Oregonians have resoundingly said NO to any more taxes. In a state that is becoming more anti-business and pro-public union, our prosperity depends on reducing taxation and preventing unnecessary tax hikes. Thank you.
