Please listen to the people, we cannot bear anymore new taxes or increased taxes. I do believe the people of Oregon have made that perfectly clear. You need to work harder to find a better way. Perhaps work within a budget as I do. I can't do a lot of frivolous things because of budget restraints. I have to stick to the barebones of our budget. I can' borrow from Peter to pay Paul. This overspending has got to stop. The people have responded with a firm NO. Put it to a vote and see where it ends up.
