Time to listen to the majority of Oregonians that you represent and vote NO on this madness! Oregonians are hurting already and more tax is back breaking. A lot of us are on fixed incomes and this will be devastating. The amount that is being asked for is nuts. The State budget keeps increasing and new pet projects, with no solution except to throw money at it, keep coming up. Time to look at needs not wants. Look at the amount of money coming in already and listen to ideas presented by the Republicans that won't cause a tax increase. Please stop hurting us Oregonians and represent us and vote NO! Thank you.
