NO NEW TAXES!!! No fee increases!!! Stop the madness. No family in Oregon can afford more income tax increases! The Republicans held a press conference 8/29/25 stating there were other ways to release money for ODOT! LISTEN TO THEM!

Please listen to the people who have overwhelmingly screamed out, NO NEW TAXES!!! NO NEW FEE INCREASES!! PEAVE OUR PY CHECKS ALONE!!!

I have stopped supporting small businesses because they raise their prices too high to make even a small profit as a direct result of your failed policies. These decisions made by the democrats are being recorded and we will not vote in politicians who do not serve the people of Oregon and continue to make our lives a living hell. I AM IN FULL FAVOR OF A RECALL of Tina Kotek. She has demonstrated time and time again she does not care for Oregon or the people by putting up executive orders and bills that are determined to cripple Oregon families and our already struggling economy.

Vote NO!
