Measure, Appointment or Topic: HB3992

No! No! No!

We won't spend money on transit!

You have wasted tax payers money on illegals, homeless, abortion, baseball, rose city , the list of wasted funds is astonishing!

Reallocate funds from your pet projects. Do it now!

Keep ODOT boots on the ground running. Seems like who ever is in charge of projects is incompetent, clean house.

If you don't have competent people I will gladly work for free and fix this state in 2 weeks time, without laying off any necessary people.

We all know that what's is behind this bill is money for the transit bridge. Oregonians have said no! Get it thru your heads no!

Please use this special session to invoke measure 113 and remove the vengeful, mean spirited, incompetent Governor Tina Kotek!
