

Submitter: Ronda Griffin

On Behalf Of:

Committee: Joint Special Session Committee On Transportation  
Funding

Measure, Appointment or Topic: HB3992

This bill is not taking care of the problem its only a bandaid that is not sustainable. Change needs to happen and not at the expense of Oregonians that are just trying to make a decent living. For those on a fixed income how can they afford such a tax when they are already stretched to the breaking point. Please vote no on HB 2025. We cannot afford to pay any more taxes!
