Funding

Measure, Appointment or Topic: HB3991

I strongly oppose this bill. Oregon's doesn't need new taxes. The department of transportation needs to work with the funds it's been given and has no right to take money from the citizens of the state on its own accord. We have a legislature that has been elected to perform this duty. The department has proven to be wasteful in its spending and is not operating within its means as the lower income residents of Oregon have to. Do not pass this bill
