Testimony Opposing HB 3992

Chair and Members of the Committee:

I strongly oppose HB 3992. This bill shifts \$800,000 away from the Emergency Board and grants massive spending authority, including nearly \$200 million for public transportation, without any voter approval or direct taxpayer input.

These types of sweeping budget reallocations should not be rushed through a special session. When taxpayer dollars are being redirected or expanded at this scale, Oregonians deserve a say at the ballot box. Passing HB 3992 without voter consent is fiscally irresponsible and undermines democratic accountability.

I respectfully urge you to vote no on HB 3992.
