As a small business owner and father of 2 I can no longer accept more taxes. I spend about 60% of my income on some type of tax or fee. Why am I supposed to live within my means and budget accordingly when my government spends Willy Nilly on whatever they choose! No new taxes, fees, surcharges on anything!!! We, your constituents who you are supposed to represent are at the end of our ropes and will revolt at the ballot box and elsewhere if you can't control your spending and find some common sense!!!!
