As the honorable Oregon Legislators look to fund ODOT and other public programs it is a bad and loosing position to tax the citizens of the State more. The ONLY option in these hard financial times we are in is to live within our means. NO NEW TAXES on Oregonians. ODOT has shown they are unable to live within their budget OR keep track of the tax revenue we have already allotted them.

Give Oregonians a break and live WITHIN the money already given the state thru taxes..

Thank you, William Daily
