Measure, Appointment or Topic: HB3992

Dear Chair and Members of the Committee,

My name is Paige, and I am a resident of Portland, Oregon. I am writing to strongly oppose HB 3992.

This bill does not reflect the will of the people. Oregonians have already made it clear — with overwhelming opposition — that this type of legislation is not wanted. Moving forward with HB 3992 disregards the voices of the very citizens you represent and erodes trust in our government.

Additionally, the bill creates unnecessary burdens without offering clear or measurable benefits to our communities. Instead of allocating resources toward policies that the public has already rejected, we should be focusing on solutions that directly address pressing issues like housing, safety, and economic stability.

For these reasons, I respectfully urge you to reject HB 3992. Please listen to your constituents and uphold the democratic process by voting NO on this bill.

Thank you for your time and consideration.

Sincerely,
Paige H
