Oregon Government should work within the budget. The Governor and governmental departments have been reckless with taxpayer dollars. The citizen's of Oregon are fed up with higher taxes and wasteful spending. It is time to rein in reckless spending and hold the person or persons accountable. I would like to see wide-sweeping audits to find out where taxpayer dollars have been spent. I for one will be voting for representatives who will be good stewards with taxpayer dollars and mindful of what the Citizens of Oregon desire.

Sincerely,
Brenda McCormack
