HB 3991

Respected Representatives,

When will this end? How many people will lose their livelihood because of tax increases? HB 3991 threatens the jobs of hundreds of transportation workers. I worked as a truck driver for decades and saw the havoc increased taxes played on my company's employees.

I am asking you to vote "no" on HB3991. It is way past time to employ a common sense approach to spending in this state. Before things worsen for our residents, the elected officials need to heed the cries of the people who are burdened by runaway taxes.

I request that you vote "no" on this latest bill.

Sincerely,

James Saint
