Dear Honorable Members of the Committee on Transportation Funding

Re: HB 3991

This is not the time to be burdening Oregonians who are already overloaded with financial worries. Groceries, gas, sewer, water, electricity, medical, insurance, car repairs, household essentials, emergencies, all have gone through the roof. It is unreasonable and unaffordable to put the weight of mismanaged department funds on the shoulders of Oregonians.

Please stand up for the people of Oregon. Say NO to this bill HB 3991.

You carry the responsibility to represent the concerns and interests of everyday people.

Thank you for your consideration.
