Dear Representative,

It seems you all use the same play book. One, let's play Judas with our constituents. Two, let's deceive our constituents like the bankers that pressured the passing of the Federal Reserve in 1913? We all became slaves except the bankers? Unending fees and taxes?

This is simple. No more fees and taxes. The MSM states Oregon businesses will raise prices because of tariffs. That is happening because Wyden, Merkley and state government pushed outsourcing of US made. Along with mail in voting that is corrupt, and keeps you in power. Now you have misappropriated and mismanaged money.

There is plenty in your coffers. Budget. No more fees and taxes.

Reappropriate the money you have to essential services for the people I all departments. For example, quit paying the bureaucrats so much. Cut them, not hands on jobs. ODOT; Redistribute funds. Keep essential like road repair. Your paid to budget, not squeeze money like blood out of your constituents. Get a State DOGE as the ones handling it now... can't.
