Portlanders are fed up. This is pathetic. You do not know how to balance the budget. Take care of the money we gave you and keep it in line. We all know your grift criminal cartels. There's no getting bias this time. We are not paying one more dime. The entire country is watching you including our great president. 95% of Oregon said absolutely no we oppose this bill. Stop funding DEI, not a cent more to non-citizens. That will balance your budget for you. We know you've cheated.
