Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3991

Legislators:

Regarding this bill to further increase gas tax, payroll tax and vehicle fees, you must realize how hard this hits the lower income Oregonians. Those who already are barely making ends meet do not have the extra money for anything. ODOT should stick to its core mission and not be funding other pet projects. I urge you to work with the Republicans who have proposed other ways to keep the ODOT workers without raising taxes on already over taxed Oregonians.
