Measure, Appointment or Topic: HB3992

We are taxed to death, have no more money to spare. Quit using Oregonians as your piggy bank, do audits see where waste and the money is going. Tax us more and all of Oregon will suffer from people and businesses leaving. Jobs losses etc. Oregon already has high gas higher than the rest of the states as gas prices have gone down in other states.

It's basic economics and math. Try it sometime .
