Committee: Joint Special Session Committee On Transportation
Funding

Measure, Appointment or Topic: HB3992

The people say NO! No new taxes and fees! You need to spend money wisely and use money for original purposes. Care about the people who voted for you because we are all watching and are quite disgusted that you continue down this path. You are pricing fees to the point that people won't have the money period to renew licenses etc. We are done with this!! You should be too!
