Topic: HB3991

As a single mother that put myself through school - now paying debts from school and raising my daughter on my own, I am so scared that I will have to find a new job outside of the state of Oregon, somewhere more affordable but away from all the family and friends we love and who help us feel safe. Please do not raise taxes. So many different solutions can be found to help keep ODOT funded. You know this and WE KNOW THIS.
