To the Oregon Legislature,

I want to personally state my opposition to the misappropriation of funds that we the hard working citizens of this state give through our taxes.

I call for transparent accountability and a "tightening of the belt" for our Governor just as we all are having to do in this economically challenging time.

I call on the Legislature to do their job representing the citizens of Oregon and oppose this sham of a bill that the Governor wants to push through.

And lastly, we want to remind you, that YOU ALL work for us, the citizens and taxpayers - not the other way around.

Thank you

Shawn Shukle
