The Oregon Legislature needs to hear and respond to the people paying the taxes. We cannot handle any more tax increases. Our grown kids are running out of state because they cannot afford to live here. Business owners cannot expand because they cannot afford all the taxes. If something does not change even more people will leave, and the people who work hard and pay all the taxes will be gone. Many other states are making Oregon look worse for quality of life by the minute. Do not pass this bill. Do not raise taxes.
