Measure, Appointment or Topic:	HB3991

Oregon Citizens Lobby focuses on 5 core principles: Fiscal Responsibility, Local Control, Free Markets, Limited Government, and Personal Choice and Responsibility. We find that HB 3991 violates all our principles. These principles are based on constitutional rights and liberties. Therefore we find HB 3991 to be unconstitutional and should be withdrawn in violation of the constitution.

Democrat leaders have said, "take us to court." That is also an unconstitutional statement. It isn't constitutional to deliberately commit the crime in the first place, then pretend innocent until proven guilty.

HB 3991 isn't a bill for a special session that was called without the emergency of an emergency. Without the emergency, the special session is an illegal form of legislative business and also unconstitutional.

We, therefore, call for a close to the special session and not waste any more taxpayer funds.
