My family and I just moved to Oregon in June. We can barely afford to live here as is. Increasing the taxes when we're already giving 25% of our earnings in various taxes is absurd!

No, no, no. Figure out another way to fix the mess you politicians created with the money already given over the last five years.

I am opposed to any bill, current or future, that ask the tax payers to fork over more money.

I vote no.
