Measure, Appointment or Topic: HB3991

We are so disappointed that there is a special session called to raise our taxes!  
These measures or similar ones were already voted down in the regular session.  
Both Democrats and Republicans opposed them before.

Christine Drazen has proposed a compromise that needs to be considered, but most  
of all, we Oregonians who are still trying to eek out a living with the high taxes we  
already pay, are hoping not to have to leave the State of Oregon!
