Measure, Appointment or Topic:	HB3991

Please LISTEN to what Oregonians have to say about all these new taxes and fees!! We've spoken before. We've registered our disapproval, over and over again. We've asked for a complete audit BEFORE any new taxes are considered. We've asked that maintenance and upkeep be prioritized before new bloated projects are budgeted. So many Oregonians are taking the time to give their input. We SHOULD be listened to, please!
