Dear Olis,

This bill will destroy Oregon. People are already struggling to make ends meet. Dutch Brothers has moved corporate head quarters to AZ. Many other businesses are leaving.

My family is debating on moving.

Let's end the millions spent on DEI - This is EXACTLY what threw the Abernathy Bridge off budget. The qualified people walked off the job due to DEI. I know because one of them is my client.

Let's do the right thing and end the climate hoax and gender posturing and do things the correct way so we can thrive again.

I oppose this bill 100%. None of us need to pay anymore of our hard earned money.

Thank you
