Oregonian have spoken overwhelmingly, no new taxes and fees. We cannot afford it!! Oregons ODOT leaders have an opportunity to turn things around and show all Oregonian they can do better with their budget and projects. There was a proposal put forth where no one would lose their jobs and better accountability of budget and projects. I highly recommend all of you in Salem consider this kind of proposal, for your citizens or the future. I believe if the governor proposed bill is passed, it will have terrible impacts for all of us.
