Funding

Measure, Appointment or Topic: HB3992

I oppose this bill. The citizens of Oregon pay enough in taxes already and it's putting a strain on the family budgets, especially when you read about mismanaged project and overruns, and money being spent on DEI, climate change, and healthcare and benefits for illegal immigrants. How about we redirect funds to the basic needs that are important to the majority of citizens, like safe clean communities, police, and good roads.
