Not only have you interrupted a Holiday Weekend but now you are trying to confuse the Tax bill by splitting it. Why do you have to use a Sunday but also trickery to get something passed that nobody wants. Please listen to the majority that you do not recognize. No New taxes and we do not want the Governor to control hiring and firing the head of ODOT. All we ask is that you reallocate the money you have on projects that Oregonians (not labor unions) care about.
