I strongly oppose any increase in taxes in the form of tax hikes, title fees, registration fees, an increase in payroll taxes and ev fees. Oregonians, we cannot afford to hand over more money to the state after the state has failed to responsibly budget the hundreds upon millions of the dollars they've been allocated. Oregonian families are demanded to budget their hard earned dollars and there are few safety nets- government must be held accountable to find another way out of the ODOT mess they've created.
