Measure, Appointment or Topic: HB3991

To whom it concerns AGAIN!!!

DO BETTER! I am a single mother or 4 kiddos, born and raised in Oregon, parents born and raised in Oregon. I work 60+ hours a week to try to make ends meet, all the while I pay \$378 EACH AND EVERY WEEK in taxes, that doesn't include my horrible company "health insurance " I pay \$400 a month for. Do the math, I pay over \$1600 out of my monthly income. I can't afford rent nor a mortgage because I am already taxed beyond means, groceries through the roof, house products, INSURANCE, GAS.ect... With my kids I have to live on family property BECAUSE THEY TAKE MONEY I WORK FOR TO PROVIDE FOR MY FAMILY from me. I have a hope to buy a home to provide stable housing for my children and myself. Oregon as it stands with this so called "leadership" is pushing my family out. Oregon is already one of the most taxed states in the USA and you have no accountability for you're spending! Oregon is my home, but you are absolutely pushing Oregonians to poverty, homelessness and out of their home state.

You are supposed to represent us and not you're damn pocket books!

DO BETTER, THIS SO CALLED LEADERSHIP IS DISGUSTING!!! I am litterly working myself to my death with my health issues because I can't afford to not work for my family. So y'all that are considering raising out taxes instead of using the budget you have, DO BETTER for the Oregonians you are supposed to represent!
