Measure, Appointment or Topic: HB3991

We really need a bill to direct auditors to do their jobs?

Not a very good reflection on our leadership sounds like to me.

How about quit pursuing unpopular pet projects that your majority of constituents neither want nor will use. Projects that cost over run 200-400%.

And because I dont trust this bunch to add language to bills after the fact, Id like to add- NO NEW TAXES, and also NO NEW BILLS. Please just go home!
