Not only NO, but HELL NO on HB3991.

Enough of this "TAX OREGONIANS OUT OF EXISTENCE" bullshit.

We have had enough of the Oregon government's FOOLISH SPENDING of OUR MONEY.

Oregon is already so unaffordable that many businesses and people are leaving the state. Oregon, and the entire LEFT COAST is right at the top of the most highly taxed and highest cost of living states.

As a retired senior citizen on a very limited income, Oregon's taxation policies have already made this state unaffordable. I am forced to exist on a very tight budget; the Oregon government needs to do the same. Any more increase in taxes and things like car registration fees will force me to leave this state.

Oregon has terribly maintained roads, extremely rough due to deterioration and poor patching, and full of potholes large enough to cause car damage. Where is all of our hard earned money going? To line the pockets of politicians and their pet consultants that never accomplish anything (remember how many hundreds of millions of dollars were spent "studying" a new I5 bridge that was scrapped!).

OUT OF CONTROL TAXATION in Oregon is forcing people and businesses to leave the state; myself included. Increasing taxes will only serve to drive more people out, which, guess what, will decrease tax revenue. Oregon is sliding down a steep slope to oblivion.

STOP THE MADNESS of TAX AND SPEND with LITTLE TO NO BENEFICIAL RESULTS.

It is far past time that the Oregon government learn to live within a TIGHT BUDGET just like they have forced all of us to do.

VOTE NO ON HB3991.
